ROOM FOR A POOL!

Imagine coming home to your newly built home in Mission Hills. Sitting upon a flat 840sqm site (Lot 99, Stage 1C), this section captures sun all day with the bonus of being the last available site which backs along the Northern walking track.

Features Include:

Three generous sized bedrooms, two bathrooms, Open-plan kitchen, dining & living, Media Room and a double garage.

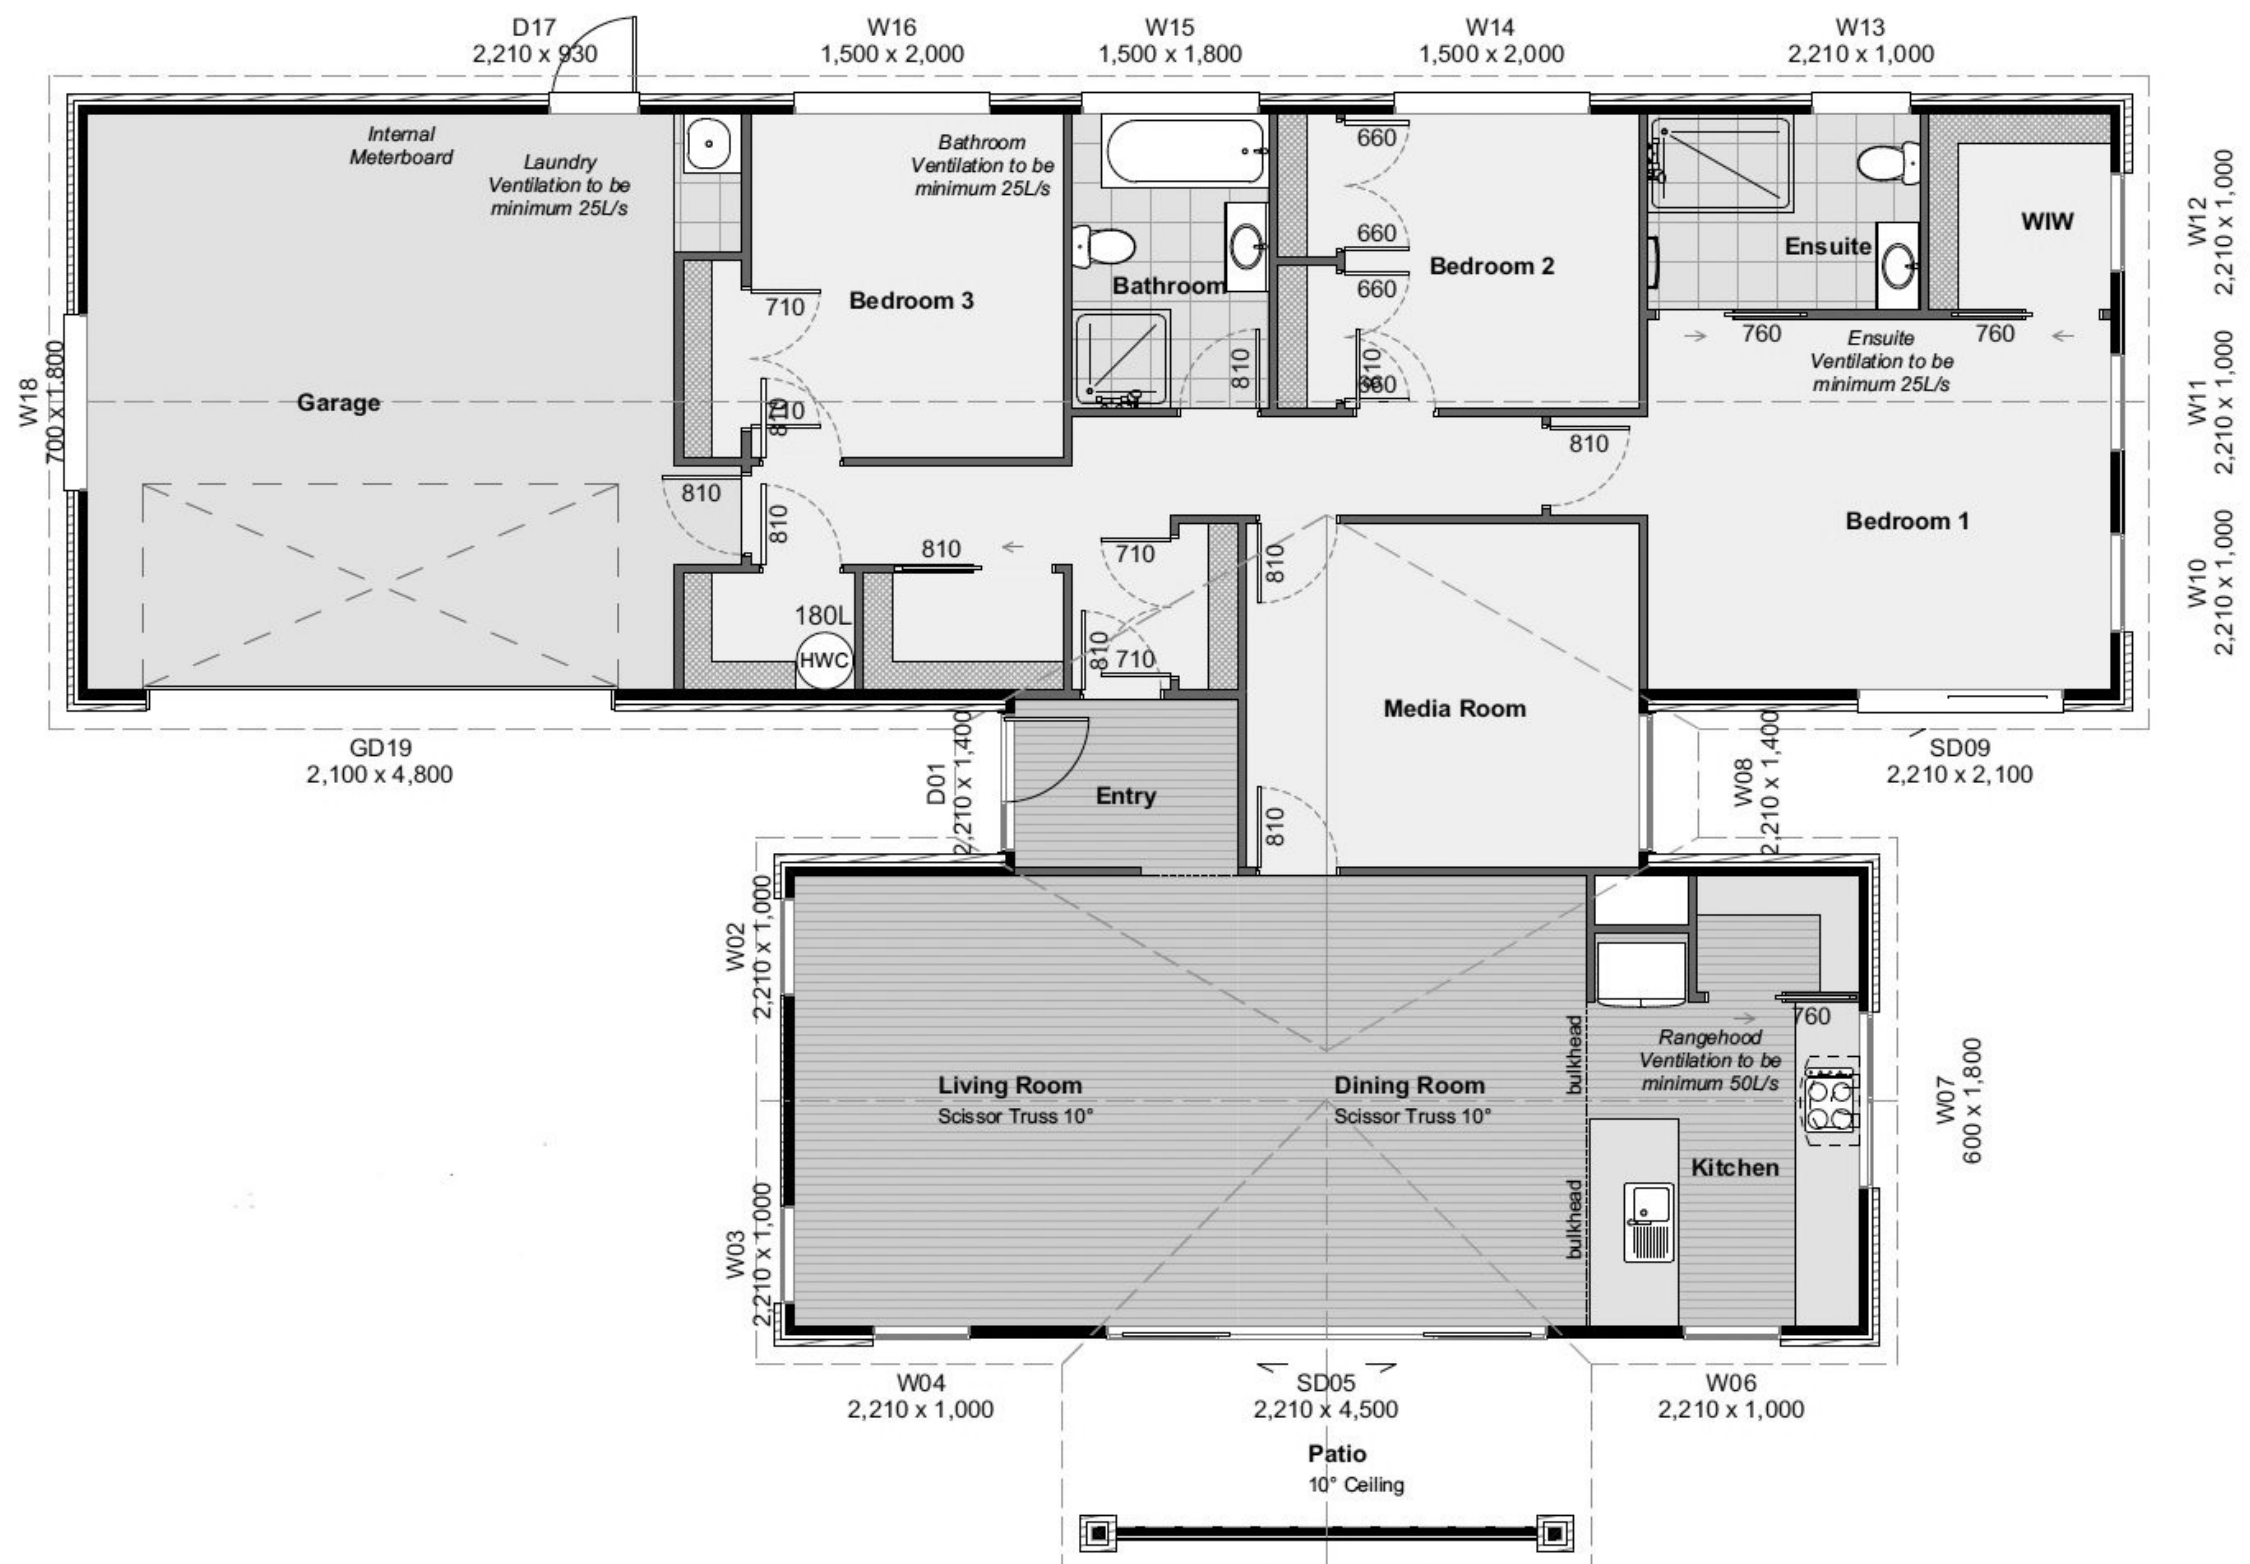

- Designer Kitchen with Scullery
- Raking Ceilings
- Covered Patios
- Building two levels is an option as well

Whether your dream is for a pool, veggie garden, or room for kids to play, this section can accommodate it all. The floor plan can be custom designed on this land with you and for you. If you're interested in discussing build feasibility or getting your questions answered please don't hesitate to reach out.

June 2026 - valid for 30 days
